SUPPLEMENTAL COMMUNICATION

Honorable Commissioner of Patents and Trademarks  
Washington, D.C. 20231

Sir:

Supplementing the amendment filed on May 25, 1999, applicant has now obtained additional certified copies of the three Israeli priority documents 91229, 94039 and 90339 and same are attached hereto. Acknowledgment by the PTO of the receipt of these priority documents is respectfully requested.

It is believed that the submission of these priority documents now obviates the rejection of claims 11-13, 35-38, 43, 44 and 46-49 under 35 USC 102(e) as being anticipated by the Smith reference of record in this case. Applicants believe that with the submission of these priority documents, the examiner can now fully satisfy himself that the claims now present in the case are supported at least by the earliest of these priority documents, i.e., Israel application 90,339 filed May 18, 1989. Reconsideration and withdrawal of this rejection are therefore respectfully urged.

In re Appln. NO. 08/485,129

It is again submitted that all of the claims now present in the case clearly define over the references of record. Reconsideration and allowance are therefore earnestly solicited.

Respectfully submitted,
